

**Curriculum Vitae**  
**R. J. S. (Bob) Beeton AM**

B. Rural Sci. (Hons) 1969; M. Nat. Res. (Theses) 1977

Honorary, School of Earth and Environmental Sciences University of Queensland.

Affiliate Faculty of Technology and Environment Prince of Songkla University, Thailand

Updated 23/3/2022

**Honours and Awards**

- 1988 Australian Bi-Centennial Award for Rainforest Canopy Walk at O'Reilly's
- 1994 Excellence in Teaching Award, University of Queensland
- 2000 Affirmative Action Commendation, University of Queensland
- 2000 Fellow Environmental Institute of Australia and New Zealand (FEIANZ)
- 2008 Honorary Associate Prince of Songkla University Thailand
- 2009 Member of the Order of Australia (AM); contribution to Environmental and Resource Management
- 2009 Lockyer Legend; for service to the community
- 2013 D.Sc. *honoris causa* Prince of Songkla University for development of Masters and PhD programs and research across two Faculties
- 2015 Friendship Award for Remarkable Achievement, Peoples Government, Zibo City Shandong PRC advice on successful environmental improvement program.

**University of Queensland service**

- Developed the entire Environment Program from 1978 to 2002
- 1991-1993 Acting Head of Department Management Studies
- 1993-1996 Deputy Head of Department responsible for strategic direction and staffing
- 1997 Head of Department Natural and Rural Systems Management
- 1998 to 2002 Foundation Head of School Natural and Rural Systems Management
- 1978-2016 Numerous University committees including University Academic Board (9 years); Faculty Executive Committees (12 years); Foundation Chair of Faculty Teaching, Learning and Quality Committee (4 years); Chair School Teaching and Learning Committee (3 years), University Teaching and Learning Committee (7 years). School Executive (2 Years), Many specifically tasked working parties across the University and Faculties.

**Course Design Achievements**

- 1978-1984 Developed Wilderness Reserves and Wildlife program
- 1984 The revision of the Wilderness Reserves and Wildlife course to incorporate a marine reserve element.
- 1987 The development of the Bachelor of Business (Tourism).
- 1988 The development of the Bachelor of Applied Science (Natural Systems and Wildlife Management).

- 1989 The development of the Conservation major's suite of Associate Diplomas in Applied Science (Forestry, Nature Conservation, Marine Resources and Wilderness Reserves and Wildlife).
- 1990 The development of the B. Land Resource Science (Agriculture faculty)
- 1990 The development of the B.Sc. Appl. (Environmental Science ), (Science Faculty)
- 1990-2015 The development of the Masters of Environmental Management (Engineering Faculty later Science Faculty)
- 1990-92 The review of all degree programs (Applied Science Faculty)
  - Faculty Curriculum Committee and Executive
  - Systems sub-committee
  - Chair Natural Systems Working Group
- 1995 Development of B. Tech. proposal for UQ Gatton (Science Faculty)
- 1996-97 The development of the B. Nat. Res. all specialisations at both St. Lucia and Gatton; the B. App. Sc. specialisations in Protected Area Management and Environmental Tourism and the Conservation Major, Diplomas of Applied Science.
- 1999 Development of Bachelor of Environmental Management as a cross campus offering. Involving three faculties
- 2000 2001 the redevelopment of the MEM as a multi-faculty program
- 2006 to Current Honorary Associate Prince of Songkla University Faculty of Technology and Environment (Thailand) development of Masters of Environmental Management and PhD programmes.

**Recent community service includes:**

- 1988- current Member, IUCN World Parks Commission;
- 1978- Current IUCN Education and Communications Commission.
- 1997 to 1999 Member, Environment Protection Council (Queensland);
- 1997 to 1998 Member, Steering Committee for Visions for the New Millennium (NSW National Parks and Wildlife Service);
- 1999 Chair, Implementation Advisory Panel for the Visions project reporting direct to Minister (NSW National Parks and Wildlife Service);
- 2000 Chair, Local Government Association of Queensland inquiry into the funding and management of National Parks in Queensland;
- 2000 Member, Agricultural Production Systems Research Unit Future Steering Committee;
- 1999 to 2002 Member, State of the Environment Advisory Committee, Commonwealth;
- 1999 to 2002 Member, Natural Heritage Trust Regional Assessment Panel, Western Queensland;
- 2000 to 2001 Member, Queensland Parks and Wildlife Service master planning advisory committee;
- 1999 to 2001 Member, Queensland Government Ministerial Regional Forum for South East Queensland;
- 2000 - 2002 Member, Board of Agricultural Production Systems Research Unit,
- 1998 - 2002 Member, Board of Rural Extension Centre;
- 1999 - 2004 Joint Interim Director, Centre for Rural and Regional Innovation;
- 2002 - 2005 Member Greening Lockyer Working Group

- 2004 - 2008 Chair, Australian State of Environment 2006 Committee, Commonwealth;
- 2004 - 2007 Participating Observer National NHT Advisory Council,
- 2004 - 2008 Participating Observer on the National Land and Water Audit Advisory Council;
- 2001 - 2006 Deputy Chair, Atherton Tablelands Sustainable Regions Advisory Committee;
- 2005 – 2008 Member, National Research Priorities Standing Committee;
- 2007 - 2009 Member National NHT Advisory Council,
- 2007 - 2008 Deputy Chair Marine and Tropical Science Research Facility Advisory Committee
- 2000 - 2011 Chair, Australian Threatened Species Scientific Committee, Commonwealth;
- 2009 - 2011 Member Commonwealth Environmental Research Facility Advisory Committee
- 2011-2012 Member Lockyer Valley Regional Recovery Task Force Natural Environments Sub-Committee
- 2009 - 2010 Chair Expert Working Group Review of Biodiversity decline on Christmas Island
- 2011 - 2012 Chair of the Independent Scientific Audit of Marine Parks and associated Issues in NSW
- 2012 Australian Co-Chair Biodiversity workshop for 12<sup>th</sup> Australia-European Union Joint Science and Technology Cooperation Committee Meeting Brussels
- 2012 Australian Co-Chair Biodiversity workshop Australia-Germany Science and Technology Meeting Bonn
- 2014 - 2016 Chair Expert Scientific Panel Commonwealth Marine Reserves Review

### **1 to 2 week Short Courses Delivered (36) (Many day workshops not recorded)**

#### **(a) Conservation Agencies**

- Site Planning, Q.NPWS (District Rangers)
- Communications, Q.NPWS (District Rangers)
- Regional Operations, Q.NPWS (District Rangers and Regional Staff)
- District Management, Q.NPWS (District Rangers)
- Operational Project Planning, Q.NPWS (District Rangers)(2X)
- Operational Project Planning, NSW.NPWS (District Rangers and Senior Staff) (5X)
- Operational Project Implementation, NSW.NPWS (5X)
- Enforcement Procedures, BFP
- Wildlife Management Q.NPWS
- Strategic Planning NSW NPWS

#### **(b) Other Organisations**

- Products, Customers and Service (3x) Tourism industry
- Environmental Problem Solving (6x) Tourism industry and rural organisation
- Rural Community Development (6x) Rural community leads across Australia
- Problem Solving South Africa Agricultural Research Council and Department of Defence
- Numerous Academic development workshops Prince of Songkla University Thailand

#### **Consultancies Conducted**

- 1984-88 Consultant to Director, Queensland National Parks and Wildlife Service on staff training
- 1986-87 Consultant to Director, Queensland National Parks and Wildlife Service on coordinating a study of the tourism/conservation relationship
- 1986-99 Adviser to O'Reilly's Guest House on development of visitor facilities. (Including the canopy walk for which I received an Australian Bicentennial award and Mick's interpretative tower which I designed and supervised construction of.)
- 1986-90 Designing and proving a visitor research system for Quicksilver Connections, Port Douglas (Qld).
- 1987-88 Consultant to Queensland Premier's Department on International Conservation Agencies.
- 1988 Consultant to Raging Thunder Pty. Ltd. on training of staff (Cairns Qld.)
- 1988 Consultant to Bonville Beach Development Consortium on Recreation Master Plan. (Coffs Harbour NSW)
- 1989 Consultant to Government of Malaysia on Marine Training Program. This consultancy was in conjunction with James Cook University. The product was a complete marine protected area training package, subsequently developed by UNEP for worldwide distribution.
- 1988/92 Review three World Heritage Area Nominations
- 1991 IUCN Consultancy to organise and chair workshop on training for 4th World Congress on National Parks and Protected Areas.
- 1993 IUCN Development of World Training Database
- 1994 Queensland Department of Tourism Development ESD component of Queensland Tourism Strategy
- 1998 Review of the Daintree Rescue Package for Wet Tropics Ministerial Council. Commissioned by Minister for Environment and Heritage (C of A)
- 2000 Design of operating system for Threatened Species Scientific Committee (Minister for Environment and Heritage)
- 2000/04 Lockyer Valley Interpretative Centre
- 2001 Future strategies for Queensland Rural Butchers
- 2000/06 Strategic advice to City to Soil and NuWater
- 2002 Action Plan for ATSRAC (Atherton Tablelands Qld)
- 2002 Prospectus for ATSTAC (Atherton Tablelands Qld)
- 2002 Future Search Chinchilla Shire
- 2003 Chinchilla Shire Tourism Plan
- 2003 Dalby 2013 Prospectus
- 2003/4 Gatton Shire Environmental Management Plan
- 2004 Creating Community Futures East Gippsland
- 2004 Dalby Innovation Project
- 2004 Community Attitudes survey and Capacity Plan (Atherton Tablelands Qld)
- 2004 Strategy for involvement in conservation in Australis Chicago Zoological Society (Pew Trust)
- 2005 Review of mulga vegetation management code Qld. DNRM
- 2006/8 Future positioning for environment service industry Gatton Shire

**Current interests are:**

- Environmental restoration,
- Environmental problem solving
- Environmental reporting
- Marine Reserve science-based management
- Total Landscape Management including Protected Areas
- Sustainable tourism,
- Sustainability issues associated with both natural, rural and urban systems and
- Rural and Regional Community Development.

**Research Grants and Scholarships since 1992**

- \$4,200,000
